THE NEXT GENERATION OF GOALTENDING DEVELOPMENT HAS ARRIVED AT PRO AMBITIONS HOCKEY, INC.

Pro Ambitions, North America's leading hockey camps, has committed to providing the best goaltending training available. We went after the nation's top young goalie coach and got him!

Since Goalie Coach Mike Buckley has joined the Pro Ambitions team, our goalie training program has undergone innovative, new changes, selling out week after week, as a result. Under Mike Buckley's curriculum, students are exposed to today's most modern technique. As a former Division I and recently retired professional goaltender, Coach Buckley's teachings has helped produced several NHL draft picks, five Division I scholarships, two major junior draft picks, and two U-17 National Development Team selections. Mike is also the UMass-Amherst Goaltending Coach (Hockey East).

Coach Buckley's students are also instructors at the camps. These instructors include: Brian Foster (UNH), Mike Spillane (UVM), Mike Morrison (Bridgeport, AHL), John Muse (Boston College), Pat Watson (Merrimack), Dan Rosen (Brown University), Jeff Petriasiak (Hershey, AHL), Dan Ellis (Nashville Predators), Scott Thomes (UConn), Liam Whalen (Westfield State), and Shane Brooks (Southern NH).

Due the overwhelming popularity of Coach Buckley's goaltending curriculum, Pro Ambitions is fully integrating Mike's curriculum for the upcoming season. Please check out our website for up-to-date GOALIE camp information.
